

SECTION 1 – HEALTH & SAFETY POLICY STATEMENT

Health and Safety at Work, etc, Act 1974
Regulatory Reform (Fire Safety) Order 2005

It is our policy to:

- provide adequate control of the health and safety risks, including those from fire, arising from our work activities;
- consult with our employees on matters affecting their health and safety;
- ensure safe handling and use of substances ;
- provide and maintain safe plant and equipment;
- provide information, instruction and supervision for employees;
- ensure all employees are competent to do their tasks and give them adequate training;
- prevent accidents and cases of work related ill health;
- maintain safe and healthy working conditions;
- review and revise this policy annually.

All employees are required to co-operate by:

- taking reasonable care for their own and others' health and safety;
- not misusing or interfering with anything provided in the interests of health and safety;
- using equipment and materials in accordance with their training;
- informing their line manager at once of any hazard in the workplace or shortcoming in the protection for employees;
- following all instructions on the completion of Health & Safety procedures.

A handwritten signature in black ink, appearing to read 'MB', with a long horizontal stroke extending to the right.
